## SHADOW RIDGE DENTAL CARE

### Treatment Agreement:

The doctors and staff at Shadow Ridge Dental Care are committed to providing dental therapy that addresses the patient's special needs, concerns and problems. We will strive to make the overall experience as pleasant as possible. We expect that the patient will take an active role in his/her care. This means that the patient promises to ask questions whenever needed in order that they may better understand the recommended treatment, the recommended instructions prior to treatment and any instructions given following treatment. This will help to maximize treatment results and your overall dental experience.

### Patient Responsibilities:

- Be courteous and professional to Doctor & staff
- Keep all scheduled appointments (**At least 24 hour notice is required to cancel/reschedule or \$25 charge may apply**)
- Pay for treatment at the agreed time

### Patient Awareness:

We do regularly send correspondence through mail, email, text message and phone calls. If at any time you would like to opt out of receiving your messages by one of these methods, please let us know. By signing this form, you are agreeing to receive all correspondence by all methods listed unless you request otherwise.

### Financial Policy:

We are committed to providing you with the best possible care. In order to achieve this goal, we need your assistance and your understanding of our payment policy. Payment for services is due on or before the day services are performed unless other arrangements have been made and approved in advance by the Financial Coordinator. We accept cash, check, credit cards and Care Credit. Financial arrangements will only be made with a credit card on file and on case by case basis. Funds will be drafted on the agreed date. If any balance becomes delinquent over thirty (30) days, it is agreed that Shadow Ridge Dental Care will have the authority to debit my charge account listed above. We will impose a late payment charge of 1.5% per month (or maximum allowed by law).

If insurance is involved, we can file claims on your behalf in most cases. Please understand that this is a medical facility and the doctors care about your health. It is their responsibility to advise you of the status of your dental health and advice you of treatment needed based on your specific needs, not based on your insurance coverage.

**WE WILL DO OUR BEST TO ESTIMATE FOR YOU WHAT INSURANCE WILL PAY AND WHAT THE PATIENT PORTION WILL BE FOR YOUR TREATMENT. THE ESTIMATED PATIENT PORTION WILL BE DUE AT THE TIME OF TREATMENT. ANY AMOUNT NOT PAID BY YOUR INSURANCE, REGARDLESS OF THE REASON, IS YOUR RESPONSIBILITY.** We therefore require a credit card to be on file for any balance not paid by insurance company.

**Please Be Aware...**

The doctors and staff at Shadow Ridge Dental Care are committed to providing dental therapy that addresses the patient's individual needs, concerns and problems. Please understand that this is a medical facility and the doctors care about your health. It is their responsibility to advise you of the status of your dental health and advise you of treatment needed based on your specific needs, not based on your insurance coverage.

As a patient, or a parent of a patient, you have the right to decline treatment before treatment is rendered. However, once treatment is rendered, you are responsible for the fee regardless of insurance coverage.

Your employer chose the specifics of your insurance coverage. We will file claims on your behalf in most cases. However, we do not take responsibility for your insurance plan, their fees, allowances, limitations and specifications. There are hundreds of insurance plans and it is impossible for us to know them all. **Therefore, it is the patient's responsibility to know and understand their individual plan.** We will be happy to try and assist you with your benefits and answer questions you may have. If you have specific questions about your plan however, you should contact your employer or your Insurance Company directly.

**When Dual Insurance is involved...**

We **cannot** give estimates when dual insurance is involved. Therefore, we will bill the primary insurance and then the secondary insurance. There is no guarantee that both insurances will pay on services. If you need to know for sure that both insurances will cover services you will need to contact your employer or your insurance companies directly and ask how they coordinate your benefits. The patient is responsible for any amount that is not covered by insurance regardless of the reason.

**Remember...**

WE WILL DO OUR BEST TO ESTIMATE WHAT INSURANCE WILL PAY AND WHAT THE PATIENT PORTION WILL BE FOR YOUR TREATMENT. THE ESTIMATED PATIENT PORTION WILL BE DUE AT THE TIME OF TREATMENT. ANY AMOUNT NOT PAID BY YOUR INSURANCE, REGARDLESS OF THE REASON, IS YOUR RESPONSIBILITY.
